

## Top 50 International Grants Awarded by Foundations for Climate Change, circa 2008

Recipient	Recipient State/Country	Foundation	Foundation State	Amount	Purpose
1. ClimateWorks Foundation	CA	William and Flora Hewlett Foundation	CA	\$461,095,182	For program support
2. ClimateWorks Foundation	CA	David and Lucile Packard Foundation	CA	33,400,000	For efforts to reduce global greenhouse gas emissions and avert catastrophic climate change
3. ClimateWorks Foundation	CA	William and Flora Hewlett Foundation	CA	20,410,000	For research, contracts, and administrative support for start-up
4. Alliance for Climate Protection	CA	Lincy Foundation	CA	15,000,000	Unspecified
5. Alliance for Climate Protection	CA	Skoll Foundation	CA	10,000,000	For campaign support
6. Energy Foundation	CA	William and Flora Hewlett Foundation	CA	8,100,000	For analyses of federal climate policy and expansion of energy efficiency work in U.S. and China
7. Energy Foundation	CA	William and Flora Hewlett Foundation	CA	7,000,000	For China Sustainable Cities Initiative
8. Institute for Social and Environmental Transition	CO	Rockefeller Foundation	NY	5,348,800	Toward shared learning dialogue process with national and local members of Asian Cities Climate Change Resilience Network to contribute to development and sharing of tangible strategies for building resilience to climate change in selected cities in India, Indonesia, Vietnam, and Thailand
9. Energy Foundation	CA	David and Lucile Packard Foundation	CA	5,000,000	For China Sustainable Energy Program, through ClimateWorks network
10. European Climate Foundation	Netherlands	William and Flora Hewlett Foundation	CA	4,850,000	For efforts to decarbonize European Union and increase member countries' energy efficiency
11. Energy Foundation	CA	William and Flora Hewlett Foundation	CA	3,565,000	For China Sustainable Cities Initiative
12. Rockhopper TV	England	Rockefeller Foundation	NY	3,163,500	To develop, produce, and disseminate eight-part documentary series on climate change resilience and follow-up debate, to be aired on BBC World and potentially through other television, radio, and internet venues
13. Tides Foundation	CA	William and Flora Hewlett Foundation	CA	3,000,000	For reducing environmental impacts of oil and gas development in northern Canada
14. Universidad de Concepcion	Chile	Agouron Institute	CA	2,582,360	For scientific research and education
15. Alliance for Climate Protection	CA	Richard and Rhoda Goldman Fund	CA	2,500,000	To educate public about urgency of adopting and implementing comprehensive solutions for climate crisis
16. Live Earth	CA	Skoll Foundation	CA	2,500,000	To film documentary in New York
17. Woods Hole Research Center	MA	David and Lucile Packard Foundation	CA	2,000,000	For development of a pan-tropical baseline forest cover and carbon map to support and promote policy initiatives related to reducing emissions from deforestation and degradation, through ClimateWorks network
18. Mario Molina Center for Strategic Studies of Energy and the Environment	Mexico	William and Flora Hewlett Foundation	CA	2,000,000	For general support
19. William J. Clinton Presidential Foundation	AR	Rockefeller Foundation	NY	2,000,000	For project aimed at removing barriers to implementation of carbon finance projects that benefit the poor
20. University of Leeds	England	Gordon and Betty Moore Foundation	CA	1,718,187	For research project, Quantifying the Role of Tropical Forests in the Global Carbon Balance and Future Climate Change
21. Ecole Polytechnique Federale de Lausanne	Switzerland	David and Lucile Packard Foundation	CA	1,590,200	To continue development and implementation of global sustainability standards for biofuels, through ClimateWorks network

22. Instituto de Energia e Meio Ambiente	Brazil	William and Flora Hewlett Foundation	CA	1,500,000	For general support
23. Energy Foundation	CA	William and Flora Hewlett Foundation	CA	1,500,000	For general support of China Sustainable Energy Program
24. Peter G. Peterson Institute for International Economics	DC	Doris Duke Charitable Foundation	NY	1,500,000	For project, The Coming Climate Change Regime and International Trade
25. Columbia University	NY	David and Lucile Packard Foundation	CA	1,500,000	To enhance capacity of Coalition for Rainforest Nations to work toward achieving goal of inclusion of reducing emissions from deforestation and degradation within international agreement on climate change under auspices of United Nations, through ClimateWorks network
26. CERES	MA	Kresge Foundation	MI	1,200,000	Toward Investor Network on Climate Risk
27. National Bureau of Asian Research	WA	John D. and Catherine T. MacArthur Foundation	IL	1,200,000	For research on South Asian regional cooperation and on maritime energy resources
28. Institute of Environmental Research in the Amazon	Brazil	David and Lucile Packard Foundation	CA	1,025,000	For education, outreach, and stakeholder engagement on reducing emissions from deforestation and degradation in Brazil within and between different sectors, including indigenous and traditional people, small-holders, private sector, NGOs, etc., through ClimateWorks network
29. Conservation Biology Institute	OR	Kresge Foundation	MI	1,020,000	Toward supporting field of climate change adaptation through development of climate change interface for Data Basin conservation database
30. International Union for Conservation of Nature and Natural Resources	Switzerland	John D. and Catherine T. MacArthur Foundation	IL	1,000,000	To establish Environmental and Livelihoods Adaptation Network
31. International Forum on Globalization	CA	Max and Anna Levinson Foundation	NM	1,000,000	For Peak Oil Campaign Resource Depletion campaign
32. Nature Conservancy	VA	Joseph & Sylvia Slifka Foundation	NY	1,000,000	For climate change work
33. University of Colorado	CO	Rockefeller Foundation	NY	1,000,000	To establish new Consortium for Capacity Building, which will maintain global network of scientists, decision makers and communities and train new generation of leaders to develop useable science to meet societal challenges relating to basic survival insecurities, environmental degradation, climate change and urbanization
34. Woods Hole Research Center	MA	David and Lucile Packard Foundation	CA	1,000,000	For project to slow deforestation in Brazilian Amazon, through ClimateWorks network
35. International Federation of Red Cross and Red Crescent Societies	Switzerland	Rockefeller Foundation	NY	1,000,000	To convene series of donor dialogues aimed at reaching consensus among bilateral and multilateral donor agencies in partnership with cities and local actors regarding effective strategies for building climate change resilience
36. World Wildlife Fund	DC	John D. and Catherine T. MacArthur Foundation	IL	1,000,000	To establish Environmental and Livelihoods Adaptation Network
37. Regional Universities Forum for Capacity Building in Agriculture Limited	Uganda	Rockefeller Foundation	NY	980,000	To work to strengthen resilience of African agriculture to climate change by supporting research and training of scholars in eastern and southern Africa, including training at Masters and Doctoral levels. Grant made as part of Building Climate Change Resilience and Enhancing Adaptation to Climate Change in Africa work
38. Centro Mexicano de Derecho Ambiental	Mexico	William and Flora Hewlett Foundation	CA	950,000	For general support of Air and Energy Program
39. Earth Island Institute	CA	Kendeda Fund	DE	850,000	For Energy Action Coalition's Campus Climate Campaign

40. Health Effects Institute	MA	William and Flora Hewlett Foundation	CA	800,000	For Science to Inform Transportation and Air Quality Decision Initiative
41. CNA Corporation	VA	Rockefeller Foundation	NY	799,700	For two studies on climate change resilience policies in the U.S., one on domestic impact of climate change and potential federal adaptation policies and other, to be conducted in collaboration with Oxfam-America, on policies related to U.S. responses to domestic and international natural disaster and humanitarian response
42. Rockefeller Family Fund	NY	Kendeda Fund	DE	750,000	For Re-Amp program
43. Natural Resources Defense Council	NY	Doris Duke Charitable Foundation	NY	750,000	For research project, Evaluating Federal Cap and Trade Policy Options for Cost-Effectively Reducing Global Warming Emissions
44. National University of Singapore	Singapore	John D. and Catherine T. MacArthur Foundation	IL	750,000	For capacity-building and policy research on energy policy in Asia
45. University of Copenhagen	Denmark	Rockefeller Foundation	NY	700,000	Toward development of high resolution digital map of potential vegetation for eastern and southern Africa that will model likely effects of climate change on agricultural potential in that region
46. Meridian Institute	CO	David and Lucile Packard Foundation	CA	658,766	For project to coordinate, manage, and help various aspects of Design to Win Forest Carbon Strategy, through ClimateWorks network
47. Mercy Corps	OR	Lemelson Foundation	OR	650,000	To incorporate green building measures into the new Mercy Corps building that would allow the building to achieve Leadership in Energy and Environmental Design (LEED)
48. Conservation International	VA	John D. and Catherine T. MacArthur Foundation	IL	650,000	For climate change adaptation for conservation in Madagascar
49. American Friends of the University of Calgary	TX	Seattle Foundation	WA	634,000	For climate change research
50. Environmental Defense	DC	David and Lucile Packard Foundation	CA	626,000	For series of regional, national, and sub-national meetings on climate change, tropical deforestation, and reducing emissions from deforestation and forest degradation (REDD) in Amazon and Congo Basins, through ClimateWorks network
